Experience

Florist

Flowershop@BoatAvenue - Phuket, Thailand 2023 - 2025

- Designed custom bouquets for personal events, tailoring arrangements to client preferences and occasions.
- Provided excellent customer service by consulting with clients to ensure satisfaction with floral designs.
- Handled flower care, including trimming stems, watering, and maintaining freshness for optimal presentation.
- Sourced seasonal blooms and coordinated colors and textures to create visually appealing displays.
- Managed time-sensitive requests, delivering high-quality arrangements under tight deadlines.

Education

Computer Science - Final Year

Computer University - Pakokku, Myanmar 2016 - 2019

Pursued studies in computer science (in progress).
